

AT HENLEY ROYAL REGATTA
TUESDAY 29TH JUNE — SATURDAY 3RD JULY 2027

THE RIVERSIDE ENCLOSURE

The Riverside Enclosure has been established at Henley for over 20 years and has a reputation of capturing the perfect combination of top quality hospitality, live entertainment, great service and comfort, combining to create a memorable day in which to host clients, colleagues, friends or family. We believe we deliver the perfect Henley Regatta experience. Situated in a prime location on the River Thames, opposite Temple Island and overlooking the Regatta course, our Riverside Restaurant is beautifully decorated with vibrant floral arrangements and fully co-ordinated tables, creating a stunning visual effect.

Our top chefs have a reputation for offering carefully thought-out menus which are always favourably received by our guests, many of whom return year on year. Enjoy a selection of delicious canapés with your Nyetimber or Pimm's on arrival, followed by a sumptuous four-course luncheon and full afternoon tea, all of which have been carefully designed to create the perfect Henley Regatta dining experience. Private tables of 8, 10 or 12 are available within the Riverside Restaurant with shared tables available for smaller numbers.

RIVERSIDE GARDEN AREA

When guests step out of our Riverside Restaurant, they are immediately in our large outside garden area, which runs alongside the river opposite Temple Island. Located on the racing and Stewards' Enclosure side of the river, our garden area benefits from being immediately adjacent to the narrow section of water on which the Regatta course is located, so guests are incredibly close and within touching distance of the action on the water. The rowing is of a very high standard, attracting crews from around the world, amongst them international athletes, and even if it is not something you have experienced before, you will find yourself being caught up in this unique event.

Our garden areas provide the perfect, relaxed setting in which to soak up the sunshine and network with clients alongside the river. With beautiful garden seating, parasols, stunning floral displays and an impressive teepee tent with circular bar serving Nyetimber, Pimm's and other complimentary drinks throughout the day, ours is the perfect Henley location.

The Riverside Enclosure is one of the very few hospitality facilities at Henley to have its own live jazz band, playing relaxing background music of all genres throughout the day. As the afternoon draws on, the band are happy to take requests from those who love their music and guests are able to enjoy drinks, music and a dance into the early evening.

PRIVATE RIVERSIDE MARQUEES

Directly adjacent to our Riverside Restaurant are a number of private Riverside marquees which can accommodate groups of 30 - 300. Our private marquees are perfect for those wishing to entertain their guests in a more private and intimate setting, whilst still enjoying the same luxurious hospitality enjoyed in the shared restaurant.

Each private marquee is built to accommodate the individual group size and benefits from a private bar, designated waiting staff, beautifully decorated tables, stunning floral decorations and direct access to your own private outside garden area with garden furniture and parasols, directly alongside the river. There are also a number of branding opportunities available which we would be happy to discuss with you.

RIVER TAXI

optional additional cost

For those who want to avoid driving to the event and plan on taking the train to Henley-on-Thames, we would highly recommend our return River Taxi service which runs from Henley town centre to the start line, just beyond our enclosure.

This lovely boat journey takes you and your guests for a relaxed boat trip up the River Thames, travelling parallel to the Regatta course and passing all of the quintessential sights along the Riverbank that the Regatta has to offer, including the Stewards Enclosure. Whilst onboard, you and your guests will be able to purchase drinks to enjoy as you take in the scenery, before arriving for your day's hospitality.

The mooring point at Henley is a 1 minute walk from Henley-on-Thames train station so it is extremely convenient and avoids you having to walk up the tow path. The boat departs at approximately 10.10am and is a 35 minute journey.

In the evening, guests re-board the boat at approximately 6.20pm for a leisurely trip back to the train station.
