Welcome to the **MONACO GRAND PRIX 2027**

Traditionally held in May, the Monaco Grand Prix will make a striking return in 2027 on the first weekend of June - bringing all the excitement, prestige, and spectacle it's famed for.

This iconic race takes place on the thrillingly narrow streets of Monte Carlo, with tight corners and dramatic elevation changes that make it one of the most technically demanding circuits in the world. It's a true test of skill, precision, and nerve.

But Monaco is more than just motorsport. It's a heady mix of glamour and high society, and there's no better way to experience it than from the deck of one of our exclusive Zone 1 superyachts. Positioned in the heart of the action, we invite you to enjoy unparalleled views of the race alongside world-class hospitality. Expect exquisite cuisine, flowing champagne, and the unmistakable buzz of A-list energy.

Join us for a weekend of unforgettable luxury as the F1 elite take to the streets of Monaco - this time, in June.
